ANGEL ALIGNER GLOBAL MASTERCLASS

Total immersion in Angel Aligner

This intensive course, taught by renowned experts in the field, **Dr. David González Zamora** and **Dr. Romina Vignolo Lobato**, not only offers an in-depth look at treatment with clear aligners through Angel Aligner but also a unique opportunity for orthodontists to expand their knowledge and techniques in contemporary orthodontics, with a special focus on the practical and effective management of a variety of clinical cases.

WHO SHOULD ATTEND

Orthodontists from all over Europe in the advanced mastery of the Angel Aligner system for the treatment of malocclusions through an intensive theoretical and practical approach.
